10. **ALLOTMENT OF SHARES**

- (a) The unissued shares from time to time shall be under the control of the Board of Directors, who shall have the power to allot, issue or otherwise dispose of shares to such persons, on such terms and conditions (including inter alia terms relating to calls as set forth in Article 12(f) hereof), and either at par or at a premium, or, subject to the provisions of the Companies Ordinance, at a discount and/or with payment of commission, and at such times, as the Board of Directors deems fit, and the power to give to any person the option to acquire from the Company any shares, either at par or at a premium, or, subject as aforesaid, at a discount and/or with payment of commission, during such time and for such consideration as the Board of Directors deems fit.
- (b) In the event that the Company proposes to issue New Securities, the following shall apply:
  - (i) The Company shall give the Purchasers, as such term is defined in the Share Purchase Agreements signed by the Company on March 29 and April 6, 2000 (the "SPAs") a 45-day prior written notice (the "Rights Notice") of its intention, describing the type of New Securities, the price, the general terms upon which the Company proposes to issue the same, and the number of shares that the Purchaser has the right to purchase under this Section. The Purchasers' right is to purchase, their pro rata share of New Securities (as defined below) that the Company may, from time to time, propose to sell or issue. Purchaser's pro-rata portion, for purposes of this right to maintain interest, is the ratio of the number of shares of Common Stock held by Purchaser bears to the total number of shares of Ordinary Shares outstanding

at the time of issuance of such New Securities. "New Securities" shall mean any Ordinary Share of the Company, whether now authorized or not, and any rights, options, or warrants to purchase said Ordinary Shares, and any securities of any type whatsoever that are, or may become, convertible into said shares; provided, however, that "New Securities" shall not include: (i) securities offered to the public; (ii) shares issued in connection with any stock split, dividend, re-capitalization or similar event by the Company; or (iii) shares issued to employees, consultants or directors of the Company, not including interested parties. Upon delivery of the Rights Notice, each Purchaser shall have fourteen (14) days to exercise his/its right to purchase New Securities under this Section, by giving written notice to the Company setting forth the quantity of New Securities to be purchased, for the price and upon the general terms specified in the Rights Notice. In the event a Purchaser fails to exercise in full his/its preemptive right within the above mentioned 45-day period, the Company shall have one hundred twenty (120) days thereafter to sell the unsold New Securities at a price and upon general terms no more favorable to the purchasers thereof than specified in the Company's Rights Notice. If the Company has not sold the New Securities within said one hundred twenty (120) day period, the Company shall not thereafter issue or sell any New Securities without first offering such securities to the Purchasers in the manner provided above. Notwithstanding the above, in the event of extraordinary business circumstances, the Company issues New Securities without giving the Purchasers a Rights Notice, the Purchasers shall have fourteen (14) days from the issuance of such New Securities to exercise their Preemptive Right to purchase the New Securities in such an amount that shall maintain the Purchasers' pre-issuance percentage in the Company under the same terms and conditions the New Securities were issued. In the occurrence of such extraordinary event, the omission of the Company to give the Purchasers a Rights Notice shall not be deemed as a breach of the SPAs so long as the Purchasers shall be given the said 14 days to exercise their Preemptive Rights as provided above. The Preemptive Right shall not apply to any investment made by a Strategic Investor or share issued to employees in accordance with an employee option plan to be adopted by the Company.

- (ii) Subject to the Purchasers right as per Article 10.2.1 above, the Company shall first invite the Investor (as such term is defined in the MOU signed by the Company on June 19, 1998) to offer the Company to subscribe for the shares proposed to be issued (the "Invitation"). The Investor shall be entitled to offer the Company within 21 days of the Company's Invitation the price per share that it is willing to pay for the shares proposed to be issued by the Company. If the Company shall decline to accept the Investor's offer or not respond to it, within 21 days, the company shall be entitled to issue the shares to any third party at terms no less favorable than those offered by the Investor during a period of 3 months beginning at the end of the above mentioned 21 days period. If the Company shall accept the offer of the Investor, within 21 days, it shall issue it the shares at the terms mentioned in the Investor's Offer, within 30 days of its acceptance. If the Investor shall not offer the Company to subscribe for the shares mentioned in the company's Invitation, the Company shall be entitled to issue the shares to any third party and at any terms it sees fit during a period of 3 months beginning at the end of the above mentioned 21 days period.

- (c) The provisions of Article 10(b)(ii) above shall not pertain to securities offered to the public, securities offered to a strategic investor, securities issued pursuant to merger or reorganization, securities issued to employees pursuant to stock option and stock purchase plans approved by the company's board of directors, securities issued to any person or entity in consideration of services rendered to the company.

11. **PAYMENT IN INSTALLMENTS**

If, pursuant to the terms of allotment or issue of any share, all or any portion of the price thereof shall be payable in installments, every such installment shall be paid to the Company on the due date thereof by the then registered holder(s) of the share or the person(s) then entitled thereto.

12. **CALLS ON SHARES**

- (a) The Board of Directors may, from time to time, as it, in its discretion, deems fit, make calls for payment upon members in respect of any sum which has not been paid up in respect of shares held by such members and which is not pursuant to the terms of allotment or issue of such shares or otherwise, payable at a fixed time. Each member shall pay the amount of every call so made upon him (and of each installment thereof if the same is payable in installments), to the Company at the time(s) and place(s) designated by the Board of Directors, as any such time(s) may be thereafter extended or place(s) changed. Unless otherwise stipulated in a resolution of the Board of Directors (and in the notice hereafter referred to), each payment in response to a call shall be deemed to constitute a pro rata payment on account of all the shares in respect of which such call was made.
- (b) Notice of any call for payment by a member shall be given in writing to such member not less than fourteen (14) days prior to the time of payment fixed in such notice, and shall specify the time and place of payment. Prior to the time for any such payment fixed in a notice of a call given to a member, the Board of Directors may in its absolute discretion, by notice in writing to such member, revoke such call in whole or in part, extend the time fixed for payment thereof, or designate a different place of payment. In the event of a call payable in installments, only one notice thereof need be given.
- (c) If pursuant to the terms of allotment or issue of a share or otherwise, an amount is made payable at a fixed time (whether on account of such share or by way of premium), such amount shall be payable at such time as if it were payable by virtue of a call made by the Board of Directors and for which notice was given in accordance with paragraphs (a) and (b) of this Article 12, and the provisions of these Articles with regard to calls (and the non-payment thereof) shall be applicable to such amount (and the non-payment thereof).
- (d) Joint holders of a share shall be jointly and severally liable to pay all calls for payment in respect of such share and all interest payable thereon.
- (e) Any amount called for payment which is not paid when due shall bear interest from the date fixed for payment until actual payment thereof, at such rate (not exceeding the then prevailing interest rate charged by leading commercial banks in Israel), and payable at such time(s) as the Board of Directors may prescribe.
- (f) Upon the allotment of shares, the Board of Directors may provide for differences among the allottees of such shares as to the amounts and times for payment of calls in respect of such shares.

**13. PREPAYMENT**

With the approval of the Board of Directors, any member may pay to the Company any amount not yet payable in respect of his shares, and the Board of Directors may approve the payment by the Company of interest on any such amount until the same would be payable if it had not been paid in advance, at such rate and time(s) as may be approved by the Board of Directors. The Board of Directors may at any time cause the Company to repay all or any part of the money so advanced, without premium or penalty. Nothing in this Article 13 shall derogate from the right of the Board of Directors to make any call for payment before or after receipt by the Company of any such advance.

**14. FORFEITURE AND SURRENDER**

- (a) If any member fails to pay an amount payable by virtue of a call, or interest thereon as provided for in accordance herewith, on or before the day fixed for payment of the same, the Board of Directors may at any time after the day fixed for such payment, so long as such amount (or any portion thereof) or interest thereon (or any portion thereof) remains unpaid, resolve to forfeit all or any of the shares in respect of which such payment was called for. All expenses incurred by the Company in attempting to collect any such amount or interest thereon, including, without limitation, attorney's fees and costs of legal proceedings, shall be added to, and shall, for all purposes (including the accrual of interest thereon), constitute a part of, the amount payable to the Company in respect of such call.
- (b) Upon the adoption of a resolution as to the forfeiture of a member's share, the Board of Directors shall cause notice thereof to be given to such member, which notice shall state that, in the event of the failure to pay the entire amount so payable by a date specified in the notice (which date shall be not less than fourteen (14) days after the date such notice is given and which may be extended by the Board of Directors), such shares shall be ipso facto forfeited, provided, however, that, prior to such date, the Board of Directors may nullify such resolution of forfeiture, but such nullification shall not stop the Board of Directors from adopting a further resolution of forfeiture in respect of the non-payment of the same amount.
- (c) Without derogating from Articles 54 and 59 hereof, whenever shares are forfeited as herein provided, all dividends, if any, theretofore declared in respect thereof and not actually paid shall be deemed to have been forfeited at the same time.
- (d) The Company, by resolution of the Board of Directors, may accept the voluntary surrender of any share not fully paid for.
- (e) Any share forfeited or surrendered as provided herein, shall become the property of the Company, and the same, subject to the provisions of these Articles, may be sold, re-allotted or otherwise disposed of as the Board of Directors deems fit.
- (f) Any member whose shares have been forfeited or surrendered shall cease to be a member in respect of the forfeited or surrendered shares, but shall, notwithstanding, be liable to pay, and shall forthwith pay, to the Company, all calls, interest and expenses owing upon or in respect of such shares at the time of forfeiture or surrender together with interest thereon from the time of forfeiture or surrender until actual payment, at the rate prescribed in Article 12(e) above, and the Board of Directors, in its discretion, may, but shall not be obligated to, enforce the payment of such moneys, or any part thereof. In the event of such forfeiture or surrender, the Company, by resolution of the Board of Directors, may accelerate the date(s) of payment of any or all amounts then owing to the Company by the member in

question (but not yet due) in respect of all shares owned by such member, solely or jointly with another.

- (g) The Board of Directors may at any time, before any share so forfeited or surrendered shall have been sold, re-allotted or otherwise disposed of, nullify the forfeiture or surrender on such conditions as it deems fit, but such nullification shall not stop the Board of Directors from re-exercising its powers of forfeiture pursuant to this Article 14.

15. **LIEN**

- (a) Except to the extent the same may be waived or subordinated in writing, the Company shall have a first and paramount lien upon all the shares registered in the name of each member (without regard to any equitable or other claim or interest in such shares on the part of any other person), and upon the proceeds of the sale thereof, for his debts, liabilities and engagements to the Company arising from any amount payable by such member in respect of any unpaid or partly paid share, whether or not such debt, liability or engagement has matured. Such lien shall extend to all dividends from time to time declared or paid in respect of such share. Unless otherwise provided, the registration by the Company of a transfer of shares shall be deemed to be a waiver on the part of the Company of the lien (if any) existing on such shares immediately prior to such transfer.
- (b) The Board of Directors may cause the Company to sell a share subject to such a lien when the debt, liability or engagement giving rise to such lien has matured, in such manner as the Board of Directors deems fit, but no such sale shall be made unless such debt, liability or engagement has not been satisfied within fourteen (14) days after written notice of the intention to sell shall have been served on such member, his executors or administrators.
- (c) The net proceeds of any such sale, after payment of the costs thereof, shall be applied in or toward satisfaction of the debts, liabilities or engagements of such member in respect of such share (whether or not the same have matured), and the remaining balance (if any) shall be paid to the member, his executors, administrators or assigns.

16. **SALE AFTER FORFEITURE OR SURRENDER OR IN ENFORCEMENT OF LIEN**

Upon any sale of a share after forfeiture or surrender or for enforcing a lien, the Board of Directors may appoint any person to execute an instrument of transfer of the share so sold and cause the purchaser's name to be entered in the Register of Members in respect of such share. The purchaser shall be registered as the shareholder and shall not be bound to see to the regularity of the sale proceedings, or to the application of the proceeds of such sale, and after his name has been entered in the Register of Members in respect of such share, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

17. **REDEEMABLE SHARES**

The Company may, subject to applicable law, issue redeemable shares and redeem the same.

18. **CONVERSION OF SHARES INTO STOCK**

- (a) The Board of Directors may, with the approval of the members previously given by Special Resolution, convert any paid-up shares into stock, and may, with like sanction, reconvert any stock into paid-up shares of any denomination.

- (b) The holders of stock may transfer the same, or any part thereof, in the same manner and subject to the same regulations, as the shares from which the stock arose might have been transferred prior to conversion, or as near thereto as circumstances admit, provided, however, that the Board of Directors may from time to time fix the minimum amount of stock so transferable, and restrict or forbid the transfer of fractions of such minimum, but the minimum shall not exceed the nominal value of each of the shares from which such stock arose.
- (c) The holders of stock shall, in accordance with the amount of stock held by them, have the same rights and privileges as regards dividends, voting at meetings of the Company and other matters as if they held the shares from which such stock arose, but no such right or privilege, except participation in the dividends and profits of the Company, shall be conferred by any such aliquot part of such stock as would not, if existing in shares, have conferred that right or privilege.
- (d) Such of the Articles of the Company as are applicable to paid-up shares shall apply to stock, and the words "share" and "shareholder" (or "member") therein shall include "stock" and "stockholder".

#### TRANSFER OF SHARES

#### 19. RIGHT OF FIRST OFFER

- (a) If a shareholder wishes to sell or otherwise transfer any or all of such shareholder's shares in the Company (the "Selling Party"), to any person other than to a Permitted Transferee, the Selling Party shall be required to first offer the shares that such shareholder wishes to transfer (the "Offered shares") to the other shareholders of the Company (the "Offerees"), pro rata to their respective interests in the Company. The Selling Party shall send the other shareholders a written offer in which the Selling Party shall specify the following information ("the Offer"):
  - (i) the class and number of shares of the Company that the Selling Party proposes to sell or transfer;
  - (ii) a representation and warranty as to the shares proposed to be sold or transferred with respect to any applicable pledges, debts, security interests and other third party interests; and
  - (iii) the price that the Selling Party intends to receive in respect of the Offered shares, which shall be stated in cash, and requested terms of payment thereof.

The Offer shall constitute an irrevocable offer made by the Selling Party to sell to each of the Offerees such Offeree's pro rata share of the shares covered by the Offer, upon the terms specified in the Offer and as described below. For purposes of this Article 19(a), an Offeree's pro rata share shall be determined based upon the relationship between the number of Ordinary shares of the Company held by such Offeree and the number of Ordinary shares of the Company held by all Offerees.

- (b) Any of the Offerees who wishes to purchase the Offered shares shall notify the Selling Party of such Offeree's agreement to purchase the Offered shares contained in the Offer within 21 days of receipt of the Offer.
- (c) If any of the Offerees declines to purchase the Offered shares upon the terms specified in the Offer or does not respond to the Offer within 21 days of receipt, the Selling Party shall so notify all of the other shareholders and they shall be entitled to purchase any remaining shares within 7 days in accordance with the Offer, pro rata to their respective interests in the Company or otherwise as may be agreed among them.

If the Offer specifies that it is contingent upon the purchase of all the Offered shares, the Selling Party shall be entitled to refuse to transfer the shares pursuant to the Offer if there is only a partial response to the Offer.

- (d) If there remain any shares that have not been acquired by the shareholders as specified above, than the Selling Party may sell such shares to a third party, provided that such sale is consummated (i) in a bona fide transaction; and (ii) at a price that is not lower than that specified in the Offer; and (iii) subject to payment terms that are no more favorable to the purchaser than those specified the Offer; all within 90 days of the expiration of the period specified in Article 19© above.
- (e) If the shares are sold to a third party in such manner, the Company shall be required to approve the transfer of the shares, provided that the transfer is in accordance with the terms contained in the Offer, and further provided that the transfer of the shares is not adverse to the Company's interest, as reasonably determined by the Board of Directors.
- (f) If any or all of the Offerees agree to purchase the Offered shares on the terms specified in the Offer; the Offered shares shall become the property of such Offerees who responded to the Offer, pro rata to their respective interests in the Company, against payment of the consideration as specified in the Offer. Any transferee of shares in the company pursuant to this Article 19 shall take such shares subject to all of the restrictions contained in this Article 19.

## 20. REGISTRATIONS OF TRANSFERS

- (a) No transfer of shares shall be registered unless there has been compliance with the procedure set in Articles 19, and a proper writing or instrument of transfer (in any customary form or any other form satisfactory to the Board of Directors) has been submitted to the Company or its transfer agent, together with share certificate(s) and such other evidence of title as the Board of Directors may reasonably require. Until the transferee has been registered in the Register of Members in respect of the shares so transferred, the Company may continue to regard the transferor as the owner thereof.
- (b) The Board of Directors may to the extent it deems necessary in its discretion close the Register of Members for registrations of transfers of shares during any year for a period determined by the Board of Directors, and no registrations of transfers of shares shall be made by the Company during any such period during which the Register of Members is so closed.

## 21. RECORD DATE FOR NOTICES OF GENERAL MEETINGS AND OTHER ACTION

Notwithstanding any provision of these Articles to the contrary, and to allow the Company to determine the members entitled to notice of, or to vote at, any Annual or Extraordinary General Meeting or any adjournment thereof, or to express consent to or dissent from any corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of, or to take or be subject to, any other action, the Board of Directors may fix in advance, a record date, which shall not be more than thirty nor less than ten days before the date of such meeting, nor more than thirty days prior to any other action. A determination of members of record entitled to notice of or to vote at a meeting shall apply to any adjournment or the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

22. **DECEDENTS' SHARES**

- (a) In case of the death of a registered holder of a share registered in the names of two or more holders, the Company may recognize the survivor(s) as the sole owner(s) thereof unless and until the provisions of Article 21(b) have been effectively invoked.
- (b) Any person becoming entitled to a share in consequence of the death of any shareholder, upon producing evidence of the grant of probate or letters of administration or declaration of succession (or such other evidence as the Board of Directors may reasonably deem sufficient), shall be registered as a member in respect of such share, or may, subject to the regulations as to transfer herein contained, transfer such share.

23. **RECEIVERS AND LIQUIDATORS**

### 27. QUORUM

- (a) No business shall be transacted at a General Meeting, or at any adjournment thereof, unless the quorum required under these Articles for such General Meeting or such adjourned meeting, as the case may be, is present when the meeting proceeds to business.
- (b) In the absence of contrary provisions in these Articles, two or more members (not in default in payment of any sum referred to in Article 32(a) hereof), present in person or by proxy and holding shares conferring in the aggregate more than one-third of the voting power of the Company, shall constitute a quorum of General Meetings.
- (c) If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon requisition under Section 109 of the Companies Ordinance, shall be dissolved, but in any other case it shall be adjourned to the same day in the next week, at the same time and place, or to such day and at such time and place as the Chairman may determine with the consent of the holders of a majority of the voting power present at the meeting in person or by proxy and voting on the question of adjournment. No business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting as originally called. At such adjourned meeting (other than an adjourned separate meeting of a particular class of shares as referred to in Article 6 of these Articles), any two (2) members (not in default as aforesaid) present in person or by proxy, and holding shares conferring in the aggregate more than one-third of the voting power of the Company, shall constitute a quorum.

### 28. CHAIRMAN

The Chairman, if any, of the Board of Directors, shall preside as Chairman at every General Meeting of the Company. If, at any meeting, the Chairman is not present within fifteen (15) minutes after the time fixed for holding the meeting or is unwilling to act as Chairman, the Co-Chairman shall preside at the meeting. If at any such meeting both the Chairman and the Co-Chairman are not present or are unwilling to act as Chairman, the members present shall choose someone of their number to be Chairman. The office of Chairman shall not, by itself, entitle the holder thereof to vote at any General Meeting nor shall it entitle such holder to a second or casting vote (without derogating, however, from the rights of such Chairman to vote as a shareholder or proxy of a shareholder if, in fact, he is also a shareholder or such proxy).

### 29. ADOPTION OF RESOLUTIONS AT GENERAL MEETINGS

- (a)
  - (i) An Ordinary Resolution shall be deemed adopted if approved by the holders of a majority of the voting power represented at the meeting in person or by proxy and voting thereon.
  - (ii) A Special or Extraordinary Resolution shall be deemed adopted if approved by the holders of not less than seventy-five percent (75%) of the voting power represented at the meeting in person or by proxy and voting thereon.
- (b) Every question submitted to a General Meeting shall be decided by a show of hands, but if a written ballot is demanded by any member present in person or by proxy and entitled to vote at the meeting, the same shall be decided by such ballot. A written ballot may be demanded before the proposed resolution is voted upon or immediately

after the declaration by the Chairman of the results of the vote by a show of hands. If a vote by written ballot is taken after such declaration, the results of the vote by a show of hands shall be of no effect, and the proposed resolution shall be decided by such written ballot. The demand for a written ballot may be withdrawn at any time before the same is conducted, in which event another member may then demand such written ballot. The demand for a written ballot shall not prevent the continuance of the meeting for the transaction of business other than the question on which the written ballot has been demanded.

- (c) A declaration by the Chairman of the meeting that a resolution has been carried unanimously, or carried by a particular majority, or lost, and an entry to that effect in the minute book of the Company, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favor of or against such resolution.

30. **RESOLUTIONS IN WRITING**

A resolution in writing signed by all members of the Company then entitled to attend and vote at General Meetings or to which all such members have given their written consent (by letter, telegram, telex, facsimile or otherwise) shall be deemed to have been unanimously adopted by a General Meeting duly convened and held.

31. **POWER TO ADJOURN**

The Chairman of a General Meeting at which a quorum is present may, with the consent of the holders of a majority of the voting power represented in person or by proxy and voting on the question of adjournment (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting as originally called.

32. **VOTING POWER**

Subject to provisions of Article 33(a) and subject to any provision hereof conferring special rights as to voting, or restricting the right to vote, every member shall have one vote for each share held by him of record, on every resolution, without regard to whether the vote thereon is conducted by a show of hands, by written ballot or by any other means.

33. **VOTING RIGHTS**

- (a) No member shall be entitled to vote at any General Meeting (or be counted as a part of the quorum thereat), unless all calls then payable by him in respect of his shares in the Company have been paid, but this Article 33(a) shall not apply to separate General Meetings of the holders of a particular class of shares pursuant to Article 6(b).
- (b) A company or other corporate body being a member of the Company may duly authorize any person to be its representative at any meeting of the Company or to execute or deliver a proxy on its behalf. Any person so authorized shall be entitled to exercise on behalf of such member all the power which the latter could have exercised if it were an individual shareholder. Upon the request of the Chairman of the meeting, written evidence of such authorization (in form acceptable to the Chairman) shall be delivered to him.

- (c) Any member entitled to vote may vote either in person or by proxy (who need not be a member of the Company), or, if the member is a company or other corporate body, by a representative authorized pursuant to Article 33(b).
- (d) If two or more persons are registered as joint holders of any share, the vote of the senior who tenders a vote, in person or by proxy, shall be accepted to the exclusion of the vote(s) of the other joint holder(s). For the purpose of this Article 33(d), seniority shall be determined by the order of registration of the joint holders in the Register of Members.

### PROXIES

#### 34. INSTRUMENT OF APPOINTMENTS

- (a) An instrument appointing a proxy shall be in writing and shall be substantially in the following form:

"I \_\_\_\_\_ of \_\_\_\_\_

- (b) The instrument appointing a proxy (and the power of attorney or other authority, if any, under which such instrument has been signed) shall either be presented to the Chairman at the meeting at which the person named in the instrument proposes to vote or be delivered to the Company (at its Registered Office, at its principal place of business, or at the offices of its registrar or transfer agent, or at such place as the Board of Directors may specify) not less than two (2) hours before the time fixed for such meeting, except that the instrument shall be delivered forty-eight (48) hours before the time fixed for the meeting where the meeting is to be held outside of Israel and the instrument is delivered to the Company's registrar or transfer agent. Notwithstanding the above, the Chairman shall have the right to waive the time requirement provided above with respect to all instruments of proxies and to accept any and all instruments of proxy until the beginning of a General Meeting.

#### 35. EFFECT OF DEATH OF APPOINTOR OR TRANSFER OF SHARE OR REVOCATION OF APPOINTMENT

- (a) A vote cast in accordance with an instrument appointing a proxy shall be valid notwithstanding the prior death or bankruptcy of the appointing member (or of his attorney-in-fact, if any, who signed such instrument), or the transfer of the share in respect of which the vote is cast, unless written notice of such matters shall have

-16-

been received by the Company or by the Chairman of such meeting prior to such vote being cast.

- (b) An instrument appointing a proxy shall be deemed revoked (i) upon receipt by the Company or the Chairman, subsequent to receipt by the Company of such instrument, of written notice signed by the person signing such instrument or by the member appointing such proxy canceling the appointment thereunder (or the authority pursuant to which such instrument was signed) or of an instrument appointing a different proxy (and such other documents, if any, required under Article 34(b) for such new appointment), provided such notice of cancellation or instrument appointing a different proxy were so received at the place and within the time for delivery of the instrument revoked thereby as referred to in Article 34(b) hereof, or (ii) if the appointing member is present in person at the meeting for which such instrument of proxy was delivered, upon receipt by the Chairman of such meeting of written notice from such member of the revocation of such appointment, or if and when such member votes at such meeting. A vote cast in accordance with an instrument appointing a proxy shall be valid notwithstanding the revocation or purported cancellation of the appointment, or the presence in person or vote of the appointing member at a meeting for which it was rendered, unless such instrument of appointment was deemed revoked in accordance with the foregoing provisions of this Article 35(b) at or prior to the time such vote was cast.

The management of the business of the Company shall be vested in the Board of Directors, which may exercise all such powers and do all such acts and things as the Company is authorized to exercise and do, and are not hereby or by law required to be exercised or done by the Company by action of its members at a General Meeting. The meetings and proceedings of any such Committee of the Board of Directors shall, mutatis mutandis, be governed by the provisions herein contained for regulating the meetings of the Board of Directors, so far as not superseded by any regulations adopted by the Board of Directors under this Article. Any shareholder(s) entitled to appoint, substitute, terminate and/or replace a member of the Company's Board of Directors shall exercise the right by giving a written notice to the Company.

The appointment of an Alternate Director shall be subject to the consent of the Board of Directors if the appointee is not then a member of the Board of Directors. Unless the appointing Director, by the instrument appointing an Alternate Director or by written notice to the Company, limits such appointment to a specified period of time or restricts it to a specified meeting or action of the Board of Directors, or otherwise restricts its scope, the appointment shall be for all purposes, and for a period of time concurrent with the term of the appointing Director.

- (c) An Alternate Director shall have all the rights and obligations of the Director who appointed him, provided however, that (i) he may not in turn appoint an alternate for himself (unless the instrument appointing him otherwise expressly provides), and (ii) that an Alternate Director shall have no standing at any meeting of the Board of Directors or any committee thereof while the Director who appointed him is present, and (iii) that the Alternate Director is not entitled to remuneration.
- (d) Any natural person, whether or not he or she be a member of the Board of Directors, may act as an Alternate Director. One person may act as Alternate Director for several Directors, and in such event he or she shall have a number of votes (and shall be treated as the number of persons for purposes of establishing a quorum) equal to the number of Directors for whom he acts as Alternate Director. If an Alternate Director is also a Director in his own right, his rights as an Alternate Director shall be in addition to his rights as a Director.
- (e) An Alternate Director shall alone be responsible for his or her own acts and defaults, and he or she shall not be deemed the agent of the Director(s) who appointed him.

- (f) The office of an Alternate Director shall be vacated under the circumstances, mutatis mutandis, set forth in Article 43, and such office shall ipso facto be vacated if the Director who appointed such Alternate Director ceased to be a Director.

Notwithstanding anything to the contrary herein, failure to deliver notice to a director of any such meeting in the manner required hereby may be waived by such Director, and a meeting shall be deemed to have been duly convened notwithstanding such defective notice if such failure of defect is waived prior to action being taken at such meeting, by all Directors entitled to participate at such meeting to whom notice was not duly given as aforesaid.

### **48. QUORUM**

Until otherwise unanimously decided by the Board of Directors, a quorum at a meeting of the Board of Directors shall be constituted by the presence in person or by telephone conference of half (50%) of the Directors then in office who are lawfully entitled to participate in the meeting. Unless otherwise determined by the Board of Directors, the Chief Executive Officer(s) shall have authority with respect of the management of the Company in the ordinary course of business. Such appointment(s) may be either for a fixed term or without any limitation of time, and the Board of Directors may from time to time (subject to the provisions of the Companies Ordinance and of any contract between any such person and the Company) fix his or their salaries and emoluments, remove or dismiss him or them from office and appoint another or others in his or their place or places.

The Board of Directors may from time to time declare, and cause the Company to pay, such interim dividend as may appear to the Board of Directors to be justified by the profits of the Company. The final dividend in respect of any fiscal year shall be proposed by the Board of Directors and shall be payable only after the same has been approved by Ordinary Resolution of the Company, but no such resolution shall provide for the payment of an amount exceeding that proposed by the Board of Directors for the payment of such final dividend, and no such resolution or any failure to approve a final dividend shall affect any interim dividend theretofore declared and paid. ### **55. AMOUNT PAYABLE BY WAY OF DIVIDENDS**

Subject to the provisions of these Articles and subject to any rights or conditions attached at that time to any share in the capital of the Company granting preferential, special or deferred rights or not granting any rights with respect to dividends, the profits of the

Company which shall be declared as dividends shall be distributed according to the proportion of the nominal value paid up on account of the shares held at the date so appointed by the Company, without regard to the premium paid in excess of the nominal value, if any. No amount paid or credited as paid on a share in advance of calls shall be treated for purposes of this Article as paid on a share.

56. **INTEREST**

No dividend shall carry interest as against the Company.

57. **PAYMENT IN SPECIE**

Upon the recommendation of the Board of Directors approved by Ordinary Resolution of the Company, the Company (i) may cause any monies, investments, or other assets forming part of the undivided profits of the Company, standing to the credit of a reserve fund, or to the credit of a reserve fund for the redemption of capital, or in the hands of the Company and available for dividends, or representing premiums received on the issuance of shares and standing to the credit of the share premium account, to be capitalized and distributed among such of the shareholders as would be entitled to receive the same if distributed by way of dividend and in the same proportion, on the basis that they become entitled thereto as capital, or may cause any part of such capitalized fund to be applied on behalf of such shareholders in paying up in full, either at par or at such premium as the resolution may provide, any unissued shares or debentures or debenture stock of the Company, which shall be distributed accordingly or in payment, in full or in part, of the uncalled liability on all issued shares or debentures or debenture stock if such liability exists, on a pro rata basis, and (ii) may cause such distribution or payment to be accepted by such shareholders in full satisfaction of their interest in the said capitalized sum. In case of a stock dividend, holders of each class of shares can receive shares of one class whether such class existed prior thereto or was created therefor or shares of the same class which conferred upon the holder the right to receive such dividend.

58. **IMPLEMENTATION OF POWERS UNDER ARTICLE 57**

For the purpose of giving full effect to any resolution under Article 57, and without derogating from the provisions of Article 7(b) hereof, the Board of Directors may settle any difficulty which may arise in regard to the distribution as it thinks expedient, and, in particular, may issue fractional certificates, and may fix the value for distribution of any specific assets, and may determine that cash payments shall be made to any members upon the basis of the value so fixed, or that fractions of less value than the nominal value of one share may be disregarded in order to adjust the rights of all parties, and may vest any such cash, shares, debentures, debenture stock or specific assets in trustees upon such trusts for the persons entitled to the dividend or capitalized fund as may seem expedient to the Board of Directors. Where requisite, a proper contract shall be filed in accordance with Section 129 of the Companies Ordinance, and the Board of Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend or capitalized fund as may seem expedient to the Board of Directors. Where requisite, a proper contract shall be filed in accordance with Section 129 of the Companies Ordinance, and the Board of Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend or capitalized fund.

Without derogation from Article 55 hereof, the Board of Directors may give an instruction which shall prevent the distribution of a dividend to the registered holders of share the full nominal amount of which has not been paid up.

60. **RETENTION OF DIVIDENDS**

- (a) The Board of Directors may retain any dividend or other monies payable or property distributable in respect of a share on which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities, or engagements in respect of which the lien exists.

61. **UNCLAIMED DIVIDENDS**

All unclaimed dividends or other moneys payable in respect of a share may be invested or otherwise made use of by the Board of Directors for the benefit of the Company until claimed. The payment by the Directors of any unclaimed dividend or such other moneys into a separate account shall not constitute the Company a trustee in respect thereof. The principal (and only the principal) of an unclaimed dividend or such other moneys shall be, if claimed, paid to a person entitled thereto.

62. **MECHANICS OF PAYMENT**

The Board of Directors may fix the mechanics for payment of dividends as it deems fit. However, if nothing to the contrary in the resolution of the Board of Directors, then all dividends or other moneys payable in cash in respect of a share may be paid by check or warrant sent through the post to, or left at, the registered address of the person entitled thereto or by transfer to a bank account specified by such person (or, if two or more persons are registered as joint holders of such share or are entitled jointly thereto in consequence of the death or bankruptcy of the holder or otherwise, to the joint holder whose name is registered first in the Register of Members or his bank account or the person who the Company may then recognize as the owner thereof or entitled thereto under Article 21 or 22 hereof, as applicable, or such person's bank account), or to such person and at such other address as the person entitled thereto may by writing direct. Every such check or warrant shall be made payable to the order of the person to whom it is sent, or to such person as the person entitled thereto as aforesaid may direct, and payment of the check or warrant by the banker upon whom it is drawn shall be a good discharge to the Company.

63. **RECEIPT FROM A JOINT HOLDER**

If two or more persons are registered as joint holders of any share, or are entitled jointly thereto in consequence of the death or bankruptcy of the holder or otherwise, any one of them may give effectual receipts for any dividend or other moneys payable or property distributable in respect of such share.

## ACCOUNTS

### 64. BOOKS OF ACCOUNT

The Board of Directors shall cause accurate books of account to be kept in accordance with the provisions of the Companies Ordinance and of any other applicable law. Such books of account shall be kept at the Registered Office of the Company, or at such other place or places as the Board of Directors may think fit, and they shall always be open to inspection by all Directors.
